Happy Father's Day to all our fathers out there. A special Happy Father's Day to George Broom, and Doug Keys have a great day.

We are all hoping with excitement that Circle 8 will open. We are all hoping one way or the other we can all support Circle 8.

So, until we meet again, stay safe and stay healthy. See you in a square very soon.

## Welcome to summer everyone!!!

So, let's see, we haven't danced since March. Hopefully we have all stayed healthy and maybe not so happy. To those who have contracted Covid-19 our thoughts and prayers go out to you, we hope that you are on the mend by now. For those we lost we are still very sorry as well.

Congratulations on our 2020-2021 board:

- President- Kay and Roger Mahan
- VPresident- George and Sharon Broom
- Treasurer- Tom and Donna Rohde
- Recording Secretary- Darlene Jolly
- Corresponding Secretary- Holly and Paul Gonseth

I appreciate all the current board for a job well done. With the weather getting better, everyone will want to get out and about, hopefully we will remember to do our social distancing to keep all Washingtonians safe. This is where it makes our social activity difficult. We all have our own opinions on how and when to come back dancing. I have heard from a lot of individuals that this is nothing more than a media frenzy. I do not agree and that's ok. We have lost a lot of dancers, so please be vigilant on your goings and comings, and most of all respectful. Please, please wear your masks in public, we cannot afford to lose any more dancers or family for that matter.

[footnotes\\_wa@yahoo.com](mailto:footnotes_wa@yahoo.com)

This is the last issue for this dance year. It's been quite a year. I miss all my dancing friends and I was really looking forward to Spokane's 69th convention. Instead we prayed for all those who were affected by Covid-19. Our sympathy goes out to all who lost family and friends to this wicked disease. Who would have thought we would still be in quarantine at this point, and worried when we are allowed to be free.

I want to thank all the clubs and councils who support Footnotes. During this time of uncertainty and canceled activities and parties that were advertised in Footnotes, I made the decision to credit those clubs that paid for advertising, and not to charge those who didn't pay. Those clubs that usually advertise monthly you will probably see a credit for the next year. If that amount is more than a few months of your usual ads you will be getting a check shortly after this issue is on line. It will be mailed to the club treasurer. I also extended the credit for the 1/2 page winners to the next volume.

The winner of the State Festival Registration will be announced at Leadership in July. This is the last chance to get your name in for the drawing. Fine at least 5 watermelons, note the page numbers, and click the link below to enter.

[wasquaredance@yahoo.com](mailto:wasquaredance@yahoo.com)

I will be on the Footnotes email seldom over the summer. If you need to get a hold of me please call or text my cell phone. I also will give my personal email but it is best to call or text. Larry and I look forward to seeing you on a dance floor very soon, we hope. Have a great summer, stay safe.

## Taylors Receive ROUNDALAB Distinguished Service Award

May 6, 2020

The ROUNDALAB Recognitions and Awards Committee is honored to present the ROUNDALAB Distinguished Service Award to a deserving couple. The Distinguished Service Award is for outstanding service to ROUNDALAB. We believe this couple more than qualifies.

This couple has been on the Board of Directors for four terms and on the Executive Committee several times. They have served as Chairman of ROUNDALAB, and also as Chairman of the Past Chairman's Committee. They have been Convention Manager as well as clinicians/presenters at numerous ROUNDALAB conventions. They have served on countless committees within ROUNDALAB and been Chairman of the Ballot Counting Committee, Liaison to the National Executive Committee, West Coast Consortium, Standardization of Classic Cues, Manual Definition Consistency, Round of the Quarter Phase Chairman, Round of the Quarter Chairman, and the list goes on.

They have been the Sound Chairman for many ROUNDALAB conventions and provide their personal sound equipment to ROUNDALAB free of charge for our conventions. During the past 6 years since the ROUNDALAB office has been located in Washington State, they have helped transport equipment and materials to the convention and back to the office each year. They often travel well off their beaten path to pick up those convention items. They deal with a vehicle packed full of ROUNDALAB items for weeks while traveling across country.

They gladly do all of the above and more, yet never ask for any recognition. They have attended 26 ROUNDALAB conventions during their 38 years of round dance teaching and cueing.

The ROUNDALAB Recognition and Awards Committee is honored to announce the presentation of the ROUNDALAB Distinguished Service Award to Debbie and Paul Taylor. At your next opportunity, please join us in thanking them for their years of service to ROUNDALAB. A plaque and certificate are being sent to Taylors.

## DID YOU KNOW?

by Lane Johnston

<https://www.wheresthedance.com>

[lanej@chessmenkastle.com](mailto:lanej@chessmenkastle.com)

<https://www.squaredance-wa-pics.org>

...that those of us who are over 70 have opinions on a range of topics? If you answered "No" to the question, you might as well stop reading right now. We "70+ers" tend to be less concerned about what others may think of us when we share an opinion publicly. So, if you answered "Yes", or are just curious, please read on. I'm a square dancer who misses that activity immensely.

Full disclosure---I'm not an epidemiologist or a doctor. I am not a public health policy expert. I am not a statistician. I'm not a recognized "expert" on any particular topic (boy, don't we have a LOT of THOSE popping up all over social media these days, most notably Facebook?). I don't consider myself an activist. I'm certainly not a "bleeding heart liberal" or a "right wing radical" (while I acknowledge leaning right of center). Isn't it a shame that that somehow "matters" nowadays?...I remember a time where NONE of that used to matter in the square dance community...nobody asked, nobody cared, and nobody held it against you if they somehow discovered you were of a different "strip" politically...it was the dancing and the friendships that mattered.

This Coronavirus nightmare has divided us...as a country, as neighbors and, unfortunately as square dancers. In large part, I blame the Media for most of this. Rather than honest journalism and reporting based upon fact-finding, sensationalism and amplifying divisiveness have become the overwhelming priority of the media. That's my opinion. Extreme views get the most attention, so that's what the media force feeds us...there's no room in the middle anymore. As the Stay At Home versus the Reopen The Country debate rages on, most of the "loudest" voices even within the square dance community tend to be at the extremes.

Camp #1 says "Square dancing may be brought entirely to its knees forever. We can't consider starting to dance again until there's a vaccine! You're putting lives at risk if by dancing now. One death is one too many". [I've heard and seen a lot of similar sentiments recently.]

Camp #2 says "We need to get back to doing exactly what we were doing before of this overblown fear-mongering nonsense started (the sky is falling, the sky is falling). There's nothing to worry about now." [Frankly, I haven't heard or seen these sentiments expressed very often.]

Camp #3 (fortunately, there is a camp in between the extremes) says "We can start dancing now, but we need to be smart about it, and take reasonable precautions to protect ourselves and our fellow dancers." [I believe most dancers are in this camp.]

Where you stand all boils down to how you deal with risk management in your life. We do it every day. When you get in your car and hurtle down the highway at 60 mph, how concerned are you that the guy headed in the opposite direction only inches or a couple feet on the other side of that white line between you won't cross over the line and hit you head-on? If you've driven for several decades, I'll bet you hardly give it a thought. You're just managing a "risk" you are familiar with.

But we are not familiar with the "real risk" of death by Covid-19. At the extremes, we're either in fear or denial. I'm a pragmatist and an optimist, and I think we'll get through this safely (by putting reasonable precautions in place) sooner rather than later. For some, it may take a while longer (it's OK). Let's just get back to a time when it's the dancing and friendships that matter most. That's my opinion.

# FIND ME AND WIN

## FOR DANCERS

One of my goals, when I took over Footnotes, was to increase the viewing of our Magazine. I've put some thought into this and would like to GIVE BACK to the dancers who read our magazine.

This is your last chance to find the hidden pictures. they are easy to find and all I require is that you find 5 watermelons. Email me the pages where you found them.

The response hasn't been as good as I had hoped, so I will only give this one more year. The winner for the 2019-2020 will be announced at Leadership so you have until July 1 to enter. If Leadership is cancelled the winner will be announced at the next business meeting or in the September issue of Footnotes which ever happens first.

After the winner registers for the 2021 festival Footnotes will reimburse the registration fee up to \$50.00.

GOOD LUCK!

Any ad placed in the previous month's magazine will be entered in a drawing for the free ad.

Winner will be announced in the next month's publication. The ½ page ad (horizontal only) must be placed in any issue during the current year Volume 8. May and June's winners must place their ad in an issue before January's issue of the following dance season (Volume 9). June's winner will be notified by email in May but will be announced in the September issue.

This will be a random drawing and winners may win no more than 2 times in any one volume year. (September-June)

**MEMBERSHIP DUES  
DEADLINE  
WAS MAY 31**

## Emergency Membership and Insurance Guidelines

We are experiencing many inquiries and expect to receive more concerning the membership and insurance deadlines for the year 20-21 due to problems created by the 'stay-home' guide lines of our current COVID-19 situation.

The deadlines for membership and insurance renewals are set in the bylaws. The first deadline of May 31st is to allow our committee the time to create an accurate Membership and Insurance database to take effect on September 1st. Although it is set in the bylaws, there is no consequence if you don't meet it.

We are asking the clubs and councils to do the best they can under these trying circumstances. This means, use alternate means of communication such as email, telephone, social media, and so forth instead of your usual club meetings. Gather as much information as you can and get it to us as soon as you can. We can always add members later. We say this because our square dance year expires on August 31, 2020. At that point, if we do not have renewal information, we cannot include that club as a member in the federation. Our insurance premiums are due September 1, 2020 and we need to have collected membership dues by that point.

As we have just explained, there is no serious consequence to missing the May 31st deadline, but the August 31st deadline is set in stone as that is the end of our insurance year.

The above process is only one of the renewal processes. Clubs must also remember to renew their club within their council. This is where the club turns in their club officers' information to make up the state directory. This process

has to go through the council before it comes to us. We are urging council leaders to communicate with your clubs to gather this information so we can receive it no later than August 31st.

Communication is a big key here, so please keep us informed of your situations and problems so that we may help in any way that we can and alleviate problems before August 31st.

[connorst\\_1@msn.com](mailto:connorst_1@msn.com)

Leslie and I hope this issue finds you all well and safe. We have been getting into a routine and have had no issues with our health.

We miss all our friends and the summertime dances that are cancelled through June 2020. It is better today than 2 months ago and will be better in 2 months from now than today. Stay safe and we hope to see you as soon as possible.

No decision on our Callers School or Leadership at Circle 8 Ranch, as of the time of writing this, we hope for some answers by the time this issue goes to print.

### **DOES PRIDE AFFECT DANCING ABILITY?**

In recent years we have seen increased emphasis in square dancing on informal dress. This is in response to those who object to wearing the traditional square dance clothes -- especially the full skirts and petticoats.

To be all things to all people, we have said that dancers can wear whatever clothes they choose. The theory is that if people can dance in casual attire, then more people will be attracted to the activity. There is logic to this thinking.

But has this idea attracted more people to square dancing than otherwise would be there? No one knows, because there is no good way to take a survey that would answer this question. So, we guess and say "Yes, I guess it does." But we do not really know.

However, in my opinion, casual clothing has lowered the overall

ability of the square dance population. I cannot prove this, so if you disagree, I have no evidence to show otherwise. But consider the following:

Square dance clothes are our “uniform.” Just as sports teams, marching bands, companies and the military all have uniforms that are designed to promote pride in their respective activities, so our square dance uniform is designed to elicit pride in square dancing.

It is believed that having pride in something causes a person to perform better. Therefore, there are uniforms. Therefore, if pride is forthcoming via the wearing of a uniform, it is logical to suppose that people wearing that uniform will perform better than if they were not wearing the uniform. In the past 15 years the overall ability of the average square dance floor has declined. Part of this decline is likely due to the increasing age of the dancers.

But I submit that part of this decline is also because square dancers are not wearing their uniform nearly as often and that this has caused their pride in the activity to decline. If pride in the activity is lowered, then people will not feel as much incentive to learn the definitions well and to perform the calls crisply and distinctly.

They will learn just enough to get by but will not feel much incentive to excel. This lessening of pride may not be consciously felt, but subconsciously it is there. In my opinion this has helped contribute to the lowering of the ability of square dancers in

general.

As previously stated, I cannot prove this theory. But dancers have told me that pride in the activity seems to have slipped with the wearing of casual clothes. With this slipping of pride, it is logical to assume that the desire to excel by studying how to be a good dancer has slipped also.

There are exceptions to everything. There are dancers who dance beautifully when wearing casual attire, and there are clubs that never wear square dance clothes that dance well above average. But these do seem to be the exception. Does pride affect dancing ability? It is something to think about.

## “REIMAGING “..... our dance future.....”

**A**ir Hugs to you all and thanks for staying house quarantined. I’m assuming you all are doing the same us. What are we doing to keep our minds busy? The yard is trying to claim “yard beautiful” but only the strawberry patch can claim that title. The “green thumb” we don’t have and yet everything is growing.

Puzzles? Well, I knew were going to have problems when we had to redo the border. We aren’t spending as much time with puzzles now as in the beginning of the Pandemic, but the card table is still up and the puzzle is still there too. Total boredom brings us back to it.

Parks and fishing opened and we have been twice. Took our sanitary wipes and lunched on the water. Loved it! The second time we took our 10 year old grandson. We took him once before but no catchy-de-fish. We caught fish this time! It was an interesting 5 hours, 3 in the boat and fun time “Fishing Education 101”. To recap: He caught the most fish, he could cast further than grandma, scared grandma by leaning over the boat to net grandpa’s fish, and managed to get caught up in grandpa’s line twice. To start with, grandpa lost Robert’s first fish he ever caught and his stringer. I was pretty sure everything would go “down-hill” from there. Robert just said, “Well, grandpa I guess you’ll just have to buy me a new stringer for my tackle box”. Feeling badly, grandpa said, “Yep, I guess I will”. Getting ready to leave, grandpa pulled up the anchor and twisted around the rope was Robert’s stringer with the fish. Robert said, “Wow grandpa, that was a miracle and now you don’t have to buy me a stringer”. I could tell you more, BUT I’ll spare you. Result: He’s ready to go again.

Venturing into thoughts of dancing again is very bleak at the present time with safe distancing and no touching. Our personal opinion is that all dancing will be detained until a safe vaccine is obtained. We don’t like this

thought but reality is reality. We want to keep everyone safe and healthy. We need to live with this virus and not let it take over. The medical profession is working from many sources including other countries with the needs in gathering data from extended testing.

We all need to be patient making wise, safe decisions. We are a group that has had more disciplined training. That being said, when we first learn to square dance we are taught to listen to the caller thus we have learned to dance. To rephrase, if we were to square dance we had to listen to the caller or instructor/teacher for the next call or cue to continue. Therefore, our social activity is a more direct/strict and disciplined form of recreation. This training has made us a strong, attentive type of people knowledgeable in knowing what is expected after receiving rules and regulations.

To “Reimagine” our dance future? WE WILL DANCE AGAIN—WHEN? The question is a stretch for the answer. At the present time we must be patient, wait for the vaccine, wear our masks like we are asked, practice social distancing, wash our hands and sanitize.

Thank you for reading....remember...this is just our opinion.

*Bob and Linda Berka*

# JUNE'S ROUND OF THE MONTH

## Knee Deep

### Presser Feet Storage

To get the best use out of a collection of presser feet they must be easily accessible. Some people treat their feet like precious jewelry. Considering their cost, that is what they seem like. Actually they are tools, they need to be handy. They are also tough. The only foot I have broken was a plastic one. I set the machine down on it. The metal feet are very strong.

A collection of presser feet is like a collection of screw drivers. The right tool for the job, when it's needed. When you are working on one part of the project you need one tool. When you get to a different area, another one would work better. When making a pair of slacks, I will change the presser foot 4 or 5 times. Feet were developed to fit specific needs and will make sewing easier.

Long ago, I made an eight gore skirt with purchased piping between the gores. The technique used the zipper foot and my entire Navy vocabulary. I really didn't like the skirt, because of the frustration. Afterwards, I got a job in a sewing machine shop. They had a whole rack of different presser feet. Since I was going to sell them, I needed to learn how to use them.

The piping foot was the first one I grabbed. A little practice and experimentation really opened my eyes. I made another eight gore skirt with homemade piping. Using the special foot the entire process of making the piping and sewing it to the gore was fast and easy. The piping was the exact color I wanted and if it ran short, I could make more in a minute.

Some stitchers keep their presser feet in the original little plastic boxes. They stack the little boxes in a bigger box. Then put the box in a drawer. When a special foot could be used, it is too much time and effort to open the drawer, take out the box, and rummage around opening several little boxes before getting to the right one. Then they would have to reverse the process to put it back. So they just muddle through with the standard foot. When it could have been easier, neater and faster to use the special foot.

Tool boxes or fishing tackle boxes are perfect for storing presser feet. They are designed for rough usage. 'Sewing boxes' are prettier but not efficient or sturdy. Before making a purchase think about the type of sewing you do and where you do it. Since I do most of my sewing at a desk, the most frequently used feet are in the drawer by my left hand. Going to sewing retreats and classes is also fun, so the tool box is handy for that. Haul all the presser feet out and put them in a pile. Add to that the most frequently used tools and you will get an idea of the size box needed. Purchase one just a little bigger than you 'can get by with'. Sewing stuff grows.

As you can see my presser feet are all wandering around together. I try to keep the most frequently used in one section and plastic feet separate from metal ones. It doesn't always stay that way. None of these feet have been damaged by this system. If I want a special foot it is in this area. Some of my feet have ugly green nail polish on them. When I was teaching sewing, students would borrow my feet to learn a technique. The ugly green made sure they were returned.

## SOLO CORNER

**Marsha Sullivan**

[solo@dosido2go.com](mailto:solo@dosido2go.com)

Last Sunday, my daughter and I tuned into Zoom Conferencing for a virtual phantom-two-couple square dancing hosted by Mike Seastrom from his home on the East Coast. It was admirable that about 14 couples, mostly from his home club in Arizona, participated.

Besides being fun, and a challenge to remember the calls well enough to dance them without the benefit of other dancers; what really stood out was the age of the dancers! I would guess most of them were around my age, and some were older. A few were younger. Yet all of the dancers managed to figure out how to download the Zoom app, connect to the conference, and tweak the angle of the screen that was favorable to their being videoed.

Has anyone in your council or club argued against using upgraded technology or changing the “way things have always been” because it is “too hard for the older dancers?” Maybe it is not as hard for us oldsters to learn as we think it is. I am certainly guilty of not wanting change, and usually operate by the standard, “If it isn’t broken, then don’t fix it.” Admittedly, I would not have learned how to use Zoom if my grandson had not stopped by to set me up and coach me. But frankly, friends, it really wasn’t that hard.

I could have figured it out just by reading the very-easy-to-understand instructions. What I did learn, that took a little more sleuthing, is that my economy-minded internet service (which has worked perfectly fine for the past 20 or so years) was not fast enough for outgoing video and audio transmission, and I ended up having to upgrade the service so that people listening to me could hear and see me as well as I could hear and see them. I did not learn that from my grandson; I had to call my internet service, who knew exactly what the problem was, even before testing it. I don’t think it occurred to my grandson that I would not have service fast enough for online video games.

As we enter our fourth month of social distancing, uncertain of when we can safely dance together, I am grateful for the callers willing to set up virtual dancing. While most of us will be rusty when we return to the dance floor, this is a great way to practice. Last month I expressed fear that we may lose some of our new dancers who were unable to finish lessons. Virtual lessons may be a way of keeping them interested and prevent them from thinking they have just lost too much.

Here’s wishing all of you a wonderful summer, as we look forward to dancing together next fall.

## INVESTING IN FRIENDSHIP AT FESTIVAL 2020

### We've got our sights on you for our Festival.

**T**he **Canadian National Festival 2020** is around the corner. The 21<sup>st</sup> Canadian National Square & Round Dance Festival 2020 will be held at the Sheraton Guildford Hotel, Surrey, BC, Canada from July 29 – Aug. 1, 2020.

We've got plans underway for a full program of fun, with over 60 callers and cuers from around the world, in July 2020. **And you are invited to join us.** It's easy. Just go to our website – <https://www.squaredance.bc.ca/2020>, choose the dance level you enjoy most, and register at [Festival2020registrations@hotmail.com](mailto:Festival2020registrations@hotmail.com). And once you've registered, you've helped plan the program that will give all of us the square dance event of a new decade. Remember, first come, first served and we only have room for 800. So far, over 570 dancers have accepted our invitation, and we hope you will, too. So get involved. Register now, and join the party. And use this as a chance to invite us to your Festival. Our venue, the Sheraton Vancouver Guildford Hotel, has a reservation hot-line, 1-888-627-8063, so you can stay and dance all in the same building. Make sure to get the best rate going by asking for the Festival 2020 group rate, and request wheelchair accessible rooms if that's a requirement.

The Sheraton Vancouver Guildford Hotel is almost full to capacity, but it's not the only hotel in the area. The Coast Hotel/Surrey Guildford location is 10410-158 St., Surrey and is just 6 blocks away. Contact them at 1-604-930-4700. Holiday Inn Express Hotel & Suites is located at 15808-104 Ave., across the street from the Coast Hotel, and their contact number is 1-604-930-8510. Or another good choice is the Sandman Suites-Surrey-Guildford at 10608-151A St., Surrey, and only two blocks from the Festival. Phone them at 1-604-582-7263.

For RV travellers, the Tynehead RV Campground (a Good Sam Park) is located at 16275-102 Ave., Surrey, which is about a 5 minute drive from the Festival. Phone 1-877-599-1161. Dogwood Campground and RV Park, at 15151 – 112 Ave., Surrey, is also about 5 minutes from the action, and you can reach them at 1-866-496-9484.

A great way to spread the word on the fun, friends, and festival might be to advertise your area and your caller in our program souvenir booklet. It will be full colour, and available for everyone who attends the Festival. Why not invest some thought into advertising here, and letting the world know how great dancing can be in your area as well, and let us all know about your future events. To secure space in the souvenir program, contact [jbw.wallace@gmail.com](mailto:jbw.wallace@gmail.com) for advertising rates, but remember **the deadline is June 1, 2020.**

**REGISTER NOW TO JOIN THE PARTY. SPACE IS LIMITED TO 800!**

Join in the **Canadian National Festival 2020** to round out your square dance experience.  
**Remember, keep your eyes open for Festival 2020. Our sights are on you!**

There is not a **BLUE MOUNTAIN COUNCIL** meeting scheduled at this time. The May meeting is canceled. The election results and the new officers will be installed by the current officers at a meeting to be scheduled when this area of Washington is released from the governor's stay at home order.

## All PRAIRIE SHUFFLER

activities are canceled through June 2020. The election of officers was held. The new president, Gary and Suzanne Benefield, will notify the club when dances and lessons will resume. We are hoping that our Water Follies Dance, with Adam Christman calling, on Saturday July 18, will be held, even though the Water Follies have been canceled.

**TRI CITIES CIRCULATORS** and **FAMILY-A-FAIR** are not meeting for dances or lessons at this time.

The **MELODY MIXERS** Round Dance club has canceled all dances and lessons through the rest of the season. We hope we can resume in August or September, but that will be dependent on the status of the COVID 19 closures and restrictions.

Dancing will certainly be different when we resume. I assume that food and drink may be restricted to personal water bottles. Hand washing or sanitizing will be a must between tips or sets. Will we all be wearing face coverings? Maybe. Probably. I can't figure out a way that we can dance and still comply with Social Distancing – 6 feet strictions are lifted.

The **MUDDY FROGS**, of Milton-Freewater, are dark until next season or later depending on the "stay at home" orders in Washington and Oregon. However, The Milton-Freewater Muddy Frogs plan to welcome Dan Nordbye to call at the M-F Community Building on Sunday, Sept. 20, from 2:00-4:00 p.m., with a potluck following. As I write this for the June issue for CENTRAL AREA COUNCIL, summer dancing activities are still uncertain. The importance of things in life has shifted for many. We've all missed that close social contact with family and friends, but have found other ways to stay in touch. Our hearts go out to those that have lost loved ones or are struggling with other hardships during this time. Please remember to Stay Safe, Be Kind, and Keep in Touch. Missing you all...

*Kay Mahan, President*

As other clubs have done, the BLUE AGATES have canceled all dances for the rest of the season. We still have hopes that some dancing opportunities may still be possible later in the summer. With luck, Circle 8 may open in July, but all of May and June events are canceled.

In this most stressful of times any of us have felt, probably in our lives, all we can do is stay in touch and keep supporting each other with support and encouragement, and laughter at the many jokes flooding the emails and internet. Normally I'd say that some people have too much time on their hands, but for now, we all have that problem. But most of us are getting lots done around our homes. And don't forget to thank the people who are working to keep us fed and connected to the world, and maintaining other things we need to survive.

Everyone stay safe and healthy, and we hope to see you when we start dancing again in the fall.

*Carel Edgerly*

The **BOOTS & LACES** are hoping everyone is staying safe and healthy. We are really missing our dancing and all our square dance family. We are all so sorry to have to miss the National Convention in Spokane, but if it saves lives, we will hope to get back to our dancing soon.

We are planning to host the Fall Council Dance where the Jack Willison Award will be presented by Jerry and Marlynn Olson. We hope to have the dance on the 5th Friday of October on October 30th. More information will be in the September Footnotes.

As of the next dance season starting in September, the Boots & Laces will become a Travel Club. Please let us know if and when your club has a special dance and we will plan a caravan to dance with you.

Until next dance season, stay safe and healthy.

The **PI-R SQUARES** do not like this “no square dancing” any more than any of our fellow dancers. If it saves one life, I guess it is worth not dancing, wearing a face mask, and staying home. Oops, forgot to mention washing our hands often with soap and warm water and reciting happy birthday or hail Mary two times. None of us will forget this day and age.

All our dances in March, April & May were canceled. Our June Dinner Dance might not happen so who knows when we can get back to dancing again.

Our Caller, Andy Garboden hopes to have some main-stream workshops

going sometime this summer or fall. Andy says he needs the practice just like us square dancers need to practice. Hopefully soon, we can get back to something close to normal.

The Pi-R Squares and Wagon Wheels are still planning on combining our square dance lessons for next year’s 2020 – 2021 dance season, but not until the first Tuesday in 2021. Stay calm and safe and keep smiling!

The Good News: Spring has sprung, flowers are blooming and we square dancers are spending more time in the yard, walking and enjoying the nice weather. The Bad News: We cannot get out on the dance floor and square up together.

At the **WAGON WHEEL SQUARES**, all dances for the rest of the current dance year are now sadly cancelled. We are in withdrawal, no flutter wheeling, circling up, promenading, or twirling, but some of us are ZOOMing. Plans for next year are still being made and we hope that in September we will be squaring up with you once again. The Wagon Wheels dance on the first and third Saturdays of the month at the Kent Meridian Grange in Kent, Washington.

Melanie Berg is our new Club President for the 2020/2021 dance year and is already thinking ahead, hoping for the best and planning for the worst. Square dancing keeps us healthy and happy so the challenge for the summer and getting through this virus is to find ways to do this while keeping your social distance. Finding ways to keep moving so we are ready for square dancing when we are finally free to do so is important, so walking and talking are still allowed and encouraged.

When we are back together on the dance floor, we will appreciate even more the great calling, fun, camaraderie, and fellowship square dancing provides. Let us all hope and pray that we will be on the dance floor come September 19th, the first dance of our normal season. Please check our Facebook page in early September to confirm that our Club will be dancing on that date. In the meantime, may you and yours stay healthy and enjoy the summer as best you can. Looking forward to squaring up with you all in the coming dance year, no matter when it begins!

**T**he **MT. BAKER COUNCIL** wants you to **KNOW** that amidst all the dance cancellations this spring, the *2021 Washington State Festival Committee* has been meeting and that the venue next spring will be the Delta Hotel by Marriott in Everett, WA. The dates will be June 18th and 19th, 2021, with a trail-in dance on the 17th. You can register now at [WASDF.org](http://WASDF.org) if you wish and pay by credit card. More detailed information will follow in the September issue. Meantime, here are current reports from 12 Mt. Baker Council clubs who want to touch base and show solidarity with all Washington dancers.

The **STANWOOD SASHAYERS** are sad to report that they are canceling their June Dance and the rest of our lessons until at least September. We hope that our dancing community stays safe and will be ready and able to return to a floor near them when this pandemic is over. We wish good health and happiness to all of our Square Dance friends. We want to see you in a square and round up to a partner for dancing.

This summer would have been **RAINBOW SQUARES** 36th year of putting on a Demo Dance at Lynden's NW Washington Fair in August. Unfortunately, we just received the sad news that "For the first time in 75 years, the Northwest Washington Fair in Lynden will not be held this August." It was officially called off Thursday, April 30, due to the coronavirus pandemic, according to a release from the Fair Board.

"The board voted unanimously to honor the recommendation of the Whatcom County Health Department and not hold the fair this summer," the release stated, adding that "you can mark your 2021 calendar for Aug. 16, 2021."

All of us in Rainbow Squares hope you all have a nice summer, and we look forward to seeing you again on the dance floor next dance season. Stay healthy.

The **HAPPY HOPPERS** have cancelled our Double Dance on Sunday, June 14 with National Caller Andy Allemao. Our dance venue, the Stillaguamish Senior Center in Smokey Point is currently closed for the foreseeable future due to the virus outbreak. We hope you have a safe and healthy summer and look forward to resuming dancing in the fall. Our first dance for the fall season kicks off on September 13 and features Jim Hatrick calling and cueing. Check out our website for more information: <http://www.happyhoppers.org/>

The **FREEWHEELERS** are continuing to isolate ourselves at home during the COVID-19 pandemic. All of our dances for May 2020 were cancelled. Our June 7th, 2020 dance is cancelled, and all of our caravans out are cancelled. We haven't made a decision about our dances in July yet but we will get the word out as soon as we do.

Our club, with the direction of our President, Randy Lewis, is continuing with club business. We held our board elections in May via email with the help of our member, Donna Franklin. All of the members of the current board agreed to serve again for the 2020/2021 season. We look forward to seeing you all as soon as it is safe to do so. Randy is keeping us up to date with news of other clubs around Mount Baker Council. We look forward to a healthier, happier time in the near future.

Love and healthy wishes go out to our fellow dancers.

May ended our **DUDES & DOLLS** normal dance season on a somber note as all of our activities cancelled. We also had several other fun club activities planned through the summer months of June, July and August. The first two a Mystery Caravan, where we all show up at the club's Grange hall on a Saturday morning, park our cars and get on a bus, the only persons who know where we are going or who we will dance with is the Mystery Caravan coordinator and the bus driver. We usually stop for some special activity during the day, have a nice dinner together then end up at a dance. After the dance we get on the bus and depending on the distance home, hit a local hotel for the night or ride the bus back to the Grange to head home. The second item is a picnic with food and games, unfortunately neither will be happening this year due to the pandemic.

Next we have our club Campout at Howard Miller Steelhead Park in Rockport, WA, currently scheduled for the first weekend in August. At the Campout we have several Potlucks, Campfires, Singing, RC Car races, Bicycle races, a Silent Auction, and a really fun Live Auction. The proceeds of the Auctions pay for our Mystery Caravans. The Campout is still on the books and we hope to be able to hold it, maybe with some modifications to accommodate personal spacing. Normally we have been holding workshops in August prior to our class starting in September. These are still in the planning stage at this time. I know we are all looking forward to getting together again, to dance and socialize; time will tell when and how it will happen.

The **WHIRLYBIRDS** will not be dancing nor having lessons in the month of June. We are still trying to be safe and healthy. We plan to return in September, so be sure to keep an eye on the Footnotes' and Council Notes' calendars. I know that we all are looking forward to dancing again sometime in the future. In the meantime, we wish you a happy and healthy Summer.

The **MOUNT BAKER SINGLES** are saddened and shedding tears because we are announcing after 36 wonderful years our club is disbanding. What's worse is that with this COVID-19 virus still causing havoc for all of us, the Mount Baker Singles will not be having a June dance. But do not despair! If we are unable to reschedule

our final dance before August 31st, we will ask a club to honor and host the "retired" Mount Baker Singles for a Final Blow-Out and very Belated 36th Anniversary Dance. Most likely Dave & Bonnie Harry's "a-live sound" will take us out in grand style and we'll have some grand prizes! Watch for either a future announcement or an ad in the Mt. Baker Council Notes.

A BIG Thank You to Dave & Bonnie Harry for calling at our dances for the majority of our 36 years! And Thank You dancers for visiting and bringing added joy to us over these past years at Hillcrest Park Lodge, Mt. Vernon Senior Center and/or the Skagit Valley Grange. Thank you, too, to our club's past and current dedicated members and officers. We've missed you all these past few months and we'll miss seeing you at our monthly dance next season. Whenever we no longer need to practice social distancing and we can Square 'Em Up Again, you'll find us smiling at you and dancing with you on other dance floors. Hey, maybe you'll even find we migrated to your club as a member!

Oh, I should mention that usually the Mount Baker Singles and Skagit Squares dance on Tuesday nights all summer long at the Mt. Vernon Senior Center with Dave Harry calling. However, at this time, it appears that will not happen this summer. If miraculously we can dance, we'll get the word out.

This isn't farewell. We'll see you dancin' down the road and, in the meantime, continue to stay home, stay safe and stay healthy!!

"Stay home, stay safe" is still in force. As we contemplate what comes next the **SAMENA SQUARES DANCE CLUB** is hopeful that we will be able to begin dancing sometime in the future. All are staying busy with hobbies, new learning and praying for all as we continue to wonder what the future holds for our lives. All of our members hope that everyone is in good health and we will be able to adjust to our new way of living. "Stay home, stay safe".

**CASCADE CROSSFIRES:** we have cancelled dances thru May please check with the web page for any updates. The Fall Council dance is still a go. More info on that will be in September's issue.

It is sad that nearly all dances for summer 2020 have been cancelled, but the **SKAGIT SQUARES** wish everyone a productive, safe summer with hopes of dancing in September. Hopefully, lessons with Dave Harry will resume Tues Sept. 8, and our Tuscan Harvest (Italian Potluck) will be held at the Mt Vernon Senior Center on Sept. 19. In the meantime, stay healthy, stay active. Yellow rocks to everyone!

Barbara McDugle

In a normal year, the **FIDALGO FOGCUTTERS** would be getting ready now for our summer Skagit Valley Hoedown; however, knowing that both the National Convention and the Canadian National Festival were planned for this summer, we decided not to hold our Hoedown this year. Ironically, both of the big dance weekends were cancelled due to the COVID-19 virus. We're still hoping that the Leadership Seminar will take place in July with our Club Cueur-couple Bob and Linda Berka. Many of our dancers will also hope to attend Circle 8 dances during July and August. And some are even looking forward to the Single Squares Dance-A-Rama. Regardless of what happens this summer, we're planning on celebrating our 40th Anniversary as a Plus Club on September 18. Come visit us in the fall.

**THE APPLELAND PROMENADERS** would like to congratulate Lori Dewitz on the purchase of a new home. She is happily painting and getting for the big move about the middle of May. We did have two of our members get the virus – John Davies and Don Jackson. They both spent a week in the hospital but are home recovering. Joyce Johnson also had surgery and is recovering at home. We really miss our square dancing. One thought for those clubs who aren't using their dance facility but still have to pay water bills. We stopped the water to the East Wenatchee Grange since no one is using it. Saves us \$42 a month.

Connie and Bob

### WHEATLAND WHIRLERS

Members have been busy doing yard work and taking short road trips and talking on the phone. The super moon the other night was spectacular. Could almost reach out and touch it.

In getting ready for dancing in the fall we have hired Kris Kisser as our club caller and teacher. Many of us will need refresher lessons. If all is ok we will start our dances on the 2nd Saturday of October.

Take care and we are looking forward to seeing our square dance friends in the fall,

Noelle Miller

### 4X8's

First and most important, all our club members as far as we have heard are staying safe and healthy during this time of turmoil. We hope that All of the clubs in the state can say the same.

Most are staying busy in our club doing things that they enjoy. My husband Jack is teaching Industrial Systems Technology online this quarter. It is challenging his brain adjusting the curriculum. Safe to say he is not a fan. He is still hoping he will be allowed to have the students do some hand's on lab work where they build projects from what they have been studying. Many are growing gardens too.

Judy Carlson has been working in her yard and garden. She sure has a green thumb. She works very hard at it. Harold Mason went down and helped her with some sprinkler work. That was nice of him. It must be close to 100 miles each way. She has also spent some time recently feeding the geese by hand at Columbia River Park in Kennewick.

The Smith family is busy too. Diana is helping Grandma Judy and grandpa as they require a little more help these days. Judy misses square dancing. Mercedes Smith is planning her wedding coming up this September and painting their apartment and furniture so it will be ready when they are. Jaguar Smith is doing the teen thing, playing video games. While Alexis Smith is an essential worker.

Patti Roberts

### Cascade Twirlers

Even though we cannot see our square dance friends face to face there are ways to express the friendship we all share. On May 1 several CT members were out spreading cheer. Small bouquets of spring flowers were left on door steps and flower shaped cookie were given to friends and family. We are keeping in touch with phone calls and cards. Letters were sent to all club members with a form for them to return with any updates on contact information and an envelope to send in their dues. Voting for state officers was done over the phone. We are hoping if possible to hold our annual summer picnic !

**R**AINIER COUNCIL is still feeling the lasting effects of the Coronavirus outbreak and the Governor's "Stay At Home" mandate which has been extended into June.

The Council held its second "Council Meeting" using Zoom in May. We may have to make a habit of this format...we had well over 20 participants in attendance! (We've already scheduled our next Council Meeting for June 8th.)

During the May meeting, council members voted-in the new Rainier Council officers for the upcoming term:

- President – Marhsa Sullivan
- Vice President – Lu Simmons
- Treasurer – Tom Tomlinson
- Recording Secretary – Stephanie Schaeve
- Corresponding Secretary – Mary Hargrove
- Delegate to State – Doug Schafer

Here's a "heads-up" notification to put on your calendar. We're working on plans to hold a Rainier Council "Halloween" Dance on October 31st (it's a 5th Saturday)...details will be published on Facebook and WheresTheDance as soon as they are available.

Dancing in June, especially "early" June, is not at all likely to happen. We previously had a number of dances planned (either to host, or to which we'd planned to caravan)...as of this writing, the only viable possibility appears to be our dance on June 27th (but even that is in question due to the Coronavirus Stay at Home mandates). Stay tuned:

The SWINGNUTS dance at the Sumner VFW Hall, 1705 Willow Street Sumner WA 98390. Don't forget, we revised our Saturday dance schedule this season (and going forward)...we now dance on the 1st Saturday each month (October through June). 7-8 pm is a Plus with single Rounds pre-dance session, and 8-10pm is the official Mainstream with Rounds dance. Don Wood is our Caller and Marie Wood is our Cuer.

Unfortunately, our 10th Birthday Bash, originally scheduled for Saturday, June 6th, had to be cancelled due to the Governor's Coronavirus mandate.

As of this writing, we're still planning (subject to the potential for continued Stay at Home orders) to begin our popular Thursday-Nite Lites summer series at the Sumner VFW Hall on June 25th (7-9pm). If we're allowed to hold these dances, it will be the first time (this will be Season 7) that we'll have a different caller (or two, in one instance) each and every week throughout the summer!

Here's the current Caller Line-up:

- 6-25 Don Wood
- 7-2 Leo Catt
- 7-9 Firecracker Trio: Adam Christman & Robert Townsend (along w/Don Wood)
- 7-16 Greg Weber
- 7-23 Steve Mazel
- 7-30 Stephen Cole
- 8-6 Mike Sikorsky
- 8-13 Steve Noseck
- 8-20 Andy Garboden
- 8-27 Gunter Monroe

We invite all square dancers to come and dance with us!

Fingers are still crossed ! IF we're in Phase 3 before June 25th, we'll be dancing !! Our club's commitment to you is simple. Everyone wants to feel (and "be") safe coming to our dances, and our planned precautions (see below) for our upcoming dances are designed to help assure that if you arrive in good health, you should expect to leave in good health:

- All "high-touch" surfaces in the hall will be disinfected prior to the dance.
- As a responsible dancer, we're requesting your cooperation as outlined::
  - Either WASH your hands (or use gel disinfectant) before heading out onto the dance floor for EVERY tip (consider this compulsory).
  - We've coined the term BANDANA DANCE to highlight the need for social distancing whenever possible. Some sort of face covering while dancing is strongly advised. (it's optional, but we hope you'll comply)
  - The wearing of gloves while dancing is optional. Please bring your own, but we plan to have a limited supply of gloves (and masks) available.
  - Water and coffee will be available, but please use a fresh cup each time. Discard the "used" ones. Or BYOWB (bring your own water bottle).
  - Sign-In with your name AND cell phone number (both are compulsory)
  - We'll take a quick, "no-touch" temperature check upon your arrival.

If we are limited to no more than 50 attendees, we'll post a "pre-registration" form online on Facebook (or you can call "info" number the above to let us know you're coming. It WILL be a FUN, SAFE dance. We hope to see you on the dance floor!

# SOU'WESTER COUNCIL

Area Reporter  
Don & Judy Wilson

[donjudywilson22@gmail.com](mailto:donjudywilson22@gmail.com)

**S**OU'WESTER COUNCIL clubs wish everyone a better dance year beginning in the fall. We hope that everyone is being safe and following your good judgement about resuming social interaction and our favorite activity dancing! We are looking forward to resuming dances and lessons in the fall.

Well, it certainly has been an unusual 2020 for everyone! **THE DO SI DO'S** wish you all good health and resilience during these difficult times. Like everyone, we have adjusted, to staying home and practicing social distancing. It's a bit difficult to dance six feet away from your partner! Or, is it?

Our June 13th dance celebrates **Surfin' USA!** If the Lac A Do Hall is open and we are able to host our dance (track us on our Facebook page), Jim Hattrick is thinking of ways to dance without touching our hands! Be prepared for a new experience within the new 'normal' as we happily return to dancing in a way that helps preserve our health and safety. Jim Hattrick's calls and Joyce Sebree's round dance cueing will bring us back 'home' with flair. We appreciate seeing returning and new guests we know will enjoy square dancing with the Do Si Do's.

Looking forward to the fall, our November 14th **Let Freedom Ring** Dance will be a day of dancing to guest caller Doug David, the 2018 Parker Award recipient. He will call a plus dance 3:30 to 5:30 pm. Beginning at 5:45 pm we will take an hour break to sponsor a 'pay what you wish' donation dinner. Menu items will be announced prior to the dance. Pre-rounds will begin at 7 pm through 7:30 pm. The evening's mainstream dance will begin at 7:30 pm and end at 10 pm. More details will be announced as we are able to finalize them.

We dance the second Saturday of each month unless otherwise noted. Pre-rounds start at 7 pm followed by Mainstream Tips starting at 7:30 pm. We will have a Plus Tip before the last mainstream tip of the evening. The dance will end about 10 pm. As OASDI sponsored lessons progress, we may call dances at the current lesson level (which may be noted on our dance flyers or on our Facebook page). If you wish to 'friend' our page, submit a request and our lead on this page will respond as quickly as possible.

Jim Hattrick is our regular Caller and Joyce Sebree is our regular Cuer. We offer delicious treats and door prizes for those who have traveled to the dance. Join us in our monthly celebration of the Do Si Do Square Dance Club and square dancing at Lac A Do Hall (1721 46th Avenue NE, Olympia, WA 98506).

Wow! **SQUARE ONE PLUS CLUB** has really missed dancing and seeing everyone for the past two months. We hope everyone is healthy and well. Sorry to see the nationals in Spokane cancelled, but know that we need to stay safe and well.

Since there has been no dancing it is hard to write what has been going on. Square One was able to elect new officers for the coming year before we had to cancel our dances.

Our PLUS dances are 1st Friday 3rd Sunday and 4th Saturday and we do dance all summer (hopefully) at Lac-A-Do Hall in Olympia.

### **Prairie Steppers**

2nd Saturday, 7 - 8 Plus • 8 - 10:30 Mainstream  
September to May, Oakview Grange,  
2715 N. Pearl, Centralia, WA 98531

**DON WOOD, CALLER • LONNIE SYCKS, CUER**

**THE PRAIRIE STEPPERS** miss dancing with all of you. We had already cancelled our March Wearin' of the Green dance and our April Hillbilly Heaven dance as of our May Footnotes report. With regret we also cancelled our May 8 and 9 Chicken Dance.

There being no dances or meetings for now, let's revisit Chicken Dances held over the last 40 years. For 1981 through 1983, the dance was held at the Oakview Grange and the callers were Ed Evans and Stan Ward.

From 1984 through 2001 the dance was held at Washington Elementary in Centralia, Rochester High School, Swede Hall and the Centralia Armory. The callers were Jim Dart and various guest callers. During those years the round dance cuers were usually Denis Crapo or Susan Healea. The clogging cuer was usually Mary Dart. For 2002 through 2008, the dance was held at Swede Hall. The callers were Dick Russell and Bill Wilson with various guest callers. The round dance cuers were Ron Woolcock or Lonnie Sycks. And the clogging cuer was usually Mary Dart.

For 2009 through 2014 the dance was held at Swede Hall or Lac A Do Hall in Olympia. The callers were Don Wood with various guest callers. The round dance cuer was Lonnie Sycks and the clogging cuer at Swede Hall was Mary Dart. Starting in 2012 with the move to Lac A Do Hall, we no longer had a clogging program for the Chicken Dance.

For 2015 through 2019 the dance was held at the Oakview Grange with callers Don Wood and various guest callers. In 2016 we had Richard Lane calling the dance. The cuer was always Lonnie Sycks. Thanks to former member Bob Spain for keeping records back to 2001. We miss him so much. More recently, Dick Russell is home recovering from lung surgery in late April...stay tuned for pathology results. Our best wishes to Dick.

The Oakview Grange kitchen is getting a major facelift including new floor, new countertops and a dishwasher which will be a greatly appreciated by those serving food at the grange.

**STARDUST DANCERS** are in the middle of the social distancing and have canceled our dances until further notice. We hope to resume dancing on the first and third Thursdays as soon as restrictions are lifted and the dancers feel comfortable gathering once again.

205 Shawnee St., Kelso, Washington

In the meantime, we will wash our hands, cover our cough and stay six feet apart (very hard to dance that way). Take care and hope to see you soon on a dance floor somewhere.

Here is a virtual dance that Don sent out to Stardust Dancers (with several inside jokes) during the social distancing time this spring.

Wonderful dance last night, biggest crowd ever. Because of recent cancellations there were guests from Portland, Vancouver, Tacoma, Seattle and Castle Rock. With this large crowd it was necessary to have three concentric circles. This led to some confusion when dances started 6 to 8 feet apart and when Tom dipped Karen at the end of a dance.

Susan cued her usual great dance a nice mix of rhythms and phases including, at Fred's request, that romantic favorite Trashy Women. When she allowed her mean sister to cue (I wish we knew her name, it seems unkind to just call her the mean sister) she was unable to flummox this group.

Lonnie cued a pair as usual but unusually he was able to get set up with voice and music first try without a hitch. The crowd cheered when he cued Purple Peterbuilt.

Jerry Z enthusiastically requested a Bolero but surprisingly sat it out. Don Wilson followed Susan's direction to not smile while dancing.

The dancing and fun continued 'til 1:00 a.m. when Karen and Jill called a halt and said it was time to go home. Everyone is looking forward to next year.

If you have favorite memories of last night, please share.

Hope to see you in person very soon.

**COUGAR SQUARES** have canceled the rest of their dances in this dance year scheduled for the first Saturday of each month through June. The two summer dances, the Ice Cream Social and the Hamburger Feed have not been decided as of this printing. If they are held, they will be advertised through flyers from the Sou'Wester Council.

Cougars new officers for the 2020-2021 dance year will be Paul (Patricia) Hagquist, president couple, Connie Alvord, VP, Shelley (Jason) Haddix treasurer and Judy (Don) Wilson Secretary. The new president will take over during the summer months, July or August and will work with the past president to maintain consistency during these months of social distancing.

Cougars plan to dance the first Saturday of September, the 5th, at 7:30 p.m. at the St Francis Parish Hall with Jim Raupp calling. Come on the 5th and enjoy the dance.

We hope that Corvid-19 will be in the rearview mirror by the time this issue arrives, or at least by September when the new dance year begins. We miss you and wish you all the best, stay healthy, wash your hands, use social distancing until you are comfortable, and we hope there will be good news to report very soon.

# SPOKANE COUNCIL

*Area Reporter*

**Priscilla Davis**

[ddavisp@aol.com](mailto:ddavisp@aol.com)

<https://www.squaredancespokane.org>

Surprising but NO dances have happened in the Spokane Area since March—just like everywhere in Washington State. But dancers are staying in contact. The SAC elected board members had a “safe distancing” meeting to make some decisions regarding upcoming SAC events. And due to the Governor’s stay-home order outlining the four-phase plan some of those decisions had to be cancelled!! Clubs are working on getting their club membership dues/insurance updated for the May 31 deadline but not holding face to face meetings makes it more difficult—but we do the best we can.

We did our election of officers via email voting and now have our 2020-21 SAC elected board members. President Kelly (Gary) Hoff, Vice President Glo (Allan) Villars, Treasurer Bruce (Judy) Ottoson, Recording Secretary Jennifer Devine, Corresponding Secretary Priscilla (Doug) Davis, State Delegate Joshua Strickler and State Nominating Beth (Roger) Barnes. Spokane Callers and Cuers have had ZOOM discussions and recently had a “safe distancing” meeting to discuss “what will square dancing be like in the future” and other topics!

So, instead of having club reports this FOOTNOTES reporter went out to our SAC clubs and asked for any input about what their club members were doing to stay sane during this quarantine and found most people are very busy. Following are a few of the comments: I have built 12 cedar planters and have three more to build and then I’m finished for this year! We have been mixing dirt and planting. Also buying flowers for the front planter boxes! Also eating too much lol! (That seems to be one of the downfalls of being home too much!)

Just been doing yard work, an occasional trip to the market. Bought a new TV so I can play with my WII gaming counsel. Just staying in to stay healthy.

Keeping a connection with our members. Now it seems more necessary because of the isolation. All of our clubs have single members and many are older, so making sure they know there’s someone checking on them can be helpful to answer questions and offer support.

We have also kept in contact with our student class to let them know what is happening with Square Dancing. We had such a large and successful class—we sure don’t want them to drift away.

We have been giving online classes for ballet and hip hop plus filming tutorials and challenges during the week on Facebook. Built a small dance studio in the basement. Doing “home ec” sewing, crocheting and knitting with grandchildren just having a “scrappy” time using lots of scraps for these projects! Trying to reorganize, garden, and generally dig out a bit. Some continue to work as they are in the healthcare sector. Everyone complains about being bored but I don’t feel like any of us have had any extra time on our hands.

And this reporter set a goal to take 10,000 steps a day and mostly have met that except on Sundays or rainy days. also sewing a wedding quilt, doing lots of work outside and lots and lots of reading. Plus, there is lots of music in our house every day to keep us reminded of square dancing and happier times.

A June 19 & 20 dancing weekend in Coeur d’Alene is scheduled sponsored by the Hoodoo Valley Hoedowners club—find the info on our website: <https://squaredancespokane.org>. And the WDA Salmon BBQ is still scheduled for the weekend of August 20-23.

From the Spokane Area Council dancers—we’ll see you in a square sometime somewhere in the future.
