I hope that you are staying safe & well and keeping your sanity through it all. Perhaps you have taken some of this time to do a few of those “round tuit” projects. I have tackled some purging of outdated files, had time to do some yard work through the summer and now will take up some of my spare time this winter delving back into my family ancestry.

I have stayed busy through most of these past months with a full time job as manager of American Cancer Society’s Discovery Shop in Yakima. An upscale resale shop operated by a volunteer staff – all merchandise is donated from the community with proceeds going to ACS for research & resources fighting cancer to help save lives. When called upon, Roger also volunteers some of his time toward that and another local charity.

Roger is my constant support – bringing me coffee in bed each morning, making my breakfast and taking care of many honey dos – yes, I’m spoiled. His days have also included reading, naps & taking care of our dog.

We cannot predict when we might get back to “normal” dancing – meanwhile safety & patience must be of utmost importance. Being optimistic that we will get through this, I encourage you all to register for the 2021 State Festival before January. And stay in touch with friends & family.

TB (Tibbles),  
& Crazy Kramer.

Thanks to all who sent me pet pictures. I hope everyone enjoys looking at all the cute pets. They are scattered throught the magazine with no particular order. Have fun hunting for your pet, but check them all out. There are some cuties in here! Also, be sure to read the poem on Marsha Sullivan's page about dogs. It was so appropriate I left it in for another month. (pg 24)

All who contributed photographs will be included in the drawing for the paid registration to the Spokane Festival in 2021. I was amazed at all the Pomeranian photos. I'll bet we could come up with our very own badge dance.

Priscilla Davis asked the question, "How many square dancers have actually had COVID-19?" "Has anyone put numbers together?" I don't think she is looking for names just numbers. Her email is in the Spokane Council reports. If you have numbers contact her.

Rainier Council is looking to put together a Committe of intereste dancers regarding Pandemic Guidelines. Anyone can join. See page 70 if intereted.

Wishing everyone a very Happy Holiday Season and a better New Year.

*Merry Christmas.

# State Federation Minutes

October 2020

Items of interest from the fall State Meeting via Zoom on October 10, 2020

There are 89 registrations for the 2021 State Festival to be held June 18-19 at the Delta Hotel in Everett. The prices were to go up January 1, 2021, but they were going to look at possibly extending that date. Check their web site. 34 hotel rooms have been reserved – the rooms are held for square dancers till March.

Sou'Wester Council & Peninsula Council have joined together to bid for the 2024 Washington State Festival. That bid was accepted. We still need a bid for 2023.

The January 2021 State Meeting scheduled for Spokane will also be done via Zoom.

After much discussion & a reminder that we have very little income & a report that the IRS site reports 14 plus cents a mile for travel allowance for volunteers, it was moved 2nd & passed to change the travel reimbursement to 15 cents per mile & the lodging reimbursement to \$35.00 per night for motel.

Discussion on what would have to be done to allow caller/cuer run clubs to join the Federation. President Kay was asked to appoint a committee to make recommendations on how that would be accomplished. That committee is headed by Karen Reichardt & also has Dick Beham, Lane Johnston & Doug Shafer.

## State Federation Response to COVID

**The officers of the Federation met via Zoom on November 16th at 7PM to discuss whether there should be any changes to previous recommendations. It was determined that there should be no change to those recommendations.**

# DID YOU KNOW?

[lanej@chessmenkastle.com](mailto:lanej@chessmenkastle.com)

<https://www.squaredance-wa-pics.org>

...what you post on social (some would say “unsocial”) media follows you forever?

Technological “coattails” in the digital world come with a mix of hugely positive capabilities and benefits, as well as with some potentially disastrous (and irreversible) liabilities. Most of us have become familiar with email for two or three decades now. Most of us have even experienced pausing momentarily to take a deep-breath just before hitting the SEND key on an email reply, only to wince seconds after hitting the SEND key and mutter, “I wish I hadn’t sent that!” Too late! One, two, or perhaps 10 “Reply All” recipients just received your tongue-lashing. Today, in 2020, opportunities abound to “think out-loud” on social media platforms (Facebook, Twitter, Instagram, etc.) and instantaneously share one’s musings and opinions with an audience of hundreds (or even thousands). As noted above, this capability can be a “blessing”, but it can just as easily be a “curse”.

What has this got to do with square dancing, you may ask? For several decades of square dance history, one’s political opinions, religious beliefs, and occupational “standing” were of little consequence or interest to one’s fellow dancers. There was no written prohibition against divulging, sharing, or asking about such matters, but the friendly nature of square dancing rendered those topics of little importance...so they seldom, if ever, came up. “It” (the relationships one developed with others over time) was all about the dancing, the fun of it, the camaraderie. Much has changed in the past few years. Many leaders within our square dance community recognized and quickly embraced the functional capabilities of social media in order to expand our “reach”. Nearly everyone established a Facebook account attached to their name (First and Last)...and, in doing so, inadvertently gave up the ability to hold at bay our opinions or beliefs about matters having nothing to do with square dancing from our fellow dancers. The minute we “friended” any of our fellow square dancers, any posts or comments containing opinions or beliefs suddenly become public knowledge within the square dance community. The proverbial cat is out of the bag now and, in my view, to the detriment of

our activity and, regrettably in some cases, to friendships between fellow square dancers.

Can square dancing “survive” this latest hurdle? Of course it can! This is not intended to be a doomsday proclamation...far from it. It is intended to encourage fellow dancers to just be aware of one of the more insidious pitfalls of using social media in our square dance outreach efforts. Try to keep square dancing and unrelated topics (politics, religion, social justice, etc.) separate as best you can.

A recent “initiative” suggesting a move away from Facebook to other platforms complicates matters some. One thought/suggestion square dancers might consider, especially if adding a new platform to their “portfolio”, would be to establish multiple (at least two) identities on any social media platform to which one subscribes. One ‘account’ (or identity) for square-dance-related content, and a separate account for everything else. Just a thought. Merry Christmas and a Happier New Year everyone! See you on the dance floor.

# FACEBOOK REPORT

BY  
LETRICIA HATCH

Greetings!

Last month I joined a Facebook for Business webinar that discussed how the recent Facebook changes affect businesses. A golden nugget takeaway was that previously, an organic “reach” or post could reach up to only 20% of our subscribers, more if our subscribers shared our post. After the Facebook changes, that percentage went down to only 2%. There are two remedies to combat the minimized reach:

- 1) encourage every subscriber to add our page to their “Favorites”. This will make them more likely to see our posts. They need to click on the three dots next to the “Like” button, go to “Follow Settings”, click “Favorites” and then “Update”. (See diagrams)

# SEND IN A PHOTO AND WIN

One of my goals, when I took over Footnotes, was to increase the viewing of our Magazine. I've put some thought into this and would like to GIVE BACK to the dancers who read our magazine.

Covid has caused us all to miss our dancing friends so I'm asking for **Photos** of dancing/dancers, interesting places you've been, animals in the wild or backyard, or something interesting of your choice. I've been using photos from the internet but your photos are far more interesting. They will be placed through out Footnotes this year and may not be with your club or council. 1-2 photos per month will get you into the drawing for the 50.00 registration to 2022 festival in Spokane.

So I know who to give credit to, please rename your photo with your name and if more than one photo your name and a number. *EXAMPLE: Cynda Clark 2.jpg*

*Please limit the number of photos to 2 per month*

Winner will be announced at the 2021 State Festival. in Everett,WA.

After the winner registers for the 2022 festival to be held in Spokane, Footnotes will reimburse the registration fee up to \$50.00.

GOOD LUCK!

To thank you for your past, present and future support, Footnotes Magazine will award a ½ page ad, or a 15.00 credit to an advertiser in the current issue. 1 winner will be chosen, every month, starting with the January issue.

This will be a random drawing and winners may win no more than 2 times in any one volume year. (January-June)

## A man came home from work and found his three children

outside, still in their pajamas, playing in the mud, with empty food boxes and wrappers strewn all around the front yard. The door of his wife's car was open, as was the front door to the house and there was no sign of the dog. Proceeding into the entry, he found an even bigger mess. A lamp had been knocked over, and the throw rug was wadded against one wall. In the front room the TV was loudly blaring a cartoon channel, and the family room was strewn with toys and various items of clothing. In the kitchen, dishes filled the sink, breakfast food was spilled on the counter, the fridge door was open wide, dog food was spilled on the floor, a broken glass lay under the table, and a small pile of sand was spread by the back door. He quickly headed up the stairs, stepping over toys and more piles of clothes, looking for his wife. He was worried she might be ill, or that

something serious had happened. He was met with a small trickle of water as it made its way out the bathroom door. As he peered inside, he found wet towels, scummy soap, and

more toys strewn over the floor. Miles of toilet paper lay in a heap and toothpaste had been smeared over the mirror and walls. As he rushed to the bedroom, he found his wife still curled up in the bed in her pajamas, reading a novel. She looked up at him, smiled, and asked how his day went. He looked at her bewildered and asked: "What happened

here today?" She again smiled and answered, "You know every day when you come home from work and you ask me what in the world I do all day?" "Yes," was his incredulous reply. She answered, "Well, today I didn't do it."

# CRAIG'S CALLER CORNER

CRAIG ABERCROMBIE  
[Craigabercrombie14@gmail.com](mailto:Craigabercrombie14@gmail.com)

## I hope you all had a JOYFUL THANKGIVING!

I am going to change my thoughts this month and talk about “the most asked question, I have been asked.” “When do you think we will be able to dance again?” Also, “How can we grow our activity?”

First, I have asked some younger adults what would it take for them to join us? They are not huggers, for the most part. That is a problem for them because they do not want to thrust in an activity that pressures them into huggers. (This is a problem for me as you know, I am a hugger.) Second, we say this is a family friendly activity and then we complain if we have kids running around the hall and only want them in a corner with an iPod or their toys but, be quiet while their Parents have fun. Maybe we need to only have one round during tips and let kids run for the period that a second round would be played.

There has been a lot of talk about CALLERLAB's Sustained Square Dance Program instead of Mainstream to start up. The Sustained Program is basically our B 48 Basic Program except some basic moves have been dropped in favor of some MS moves. This sometimes is called Club 50 as well. It has had some success in areas where most clubs are PLUS clubs allowing new dancers a program to dance before they are ready for PLUS.

Another area that is drawing more interest is Caller Run Clubs. This be fumed by “burnout” with the same people year after year holding offices and they are TIRED!

**Questions that will have to be asked are:**

**When and what halls will be available?**

**What clubs may just decide their interest has just died?**

The last poll I saw was, 1/3 of our dancers are ready

to dance, second third are awaiting a vaccine and the last third is done. Think about how large your dances were before COVID and apply that poll. That will put some clubs in danger.

### Which callers or cuers will just retire?

I have already heard of one caller in Seattle who has retired. I had another caller tell me “I want to come back but, I am not sure I still have that fire to do it.”

To answer the question, I asked when I started my article, “**When will we be able to dance again?**”--My gut feeling, and what others are thinking is: probably not until the fall (September) 2021. That's what gave me the insight to my article.

We will see how this all shakes out, in the months ahead. What have you heard or what are your thoughts?

I hope each and everyone has a JOYUS HOLIDAY SEASON!

*Have a great month,  
Craig*

# FISHTAILING FOR ROUNDS

Bob and Linda Berka

[berkarl@whidby.net](mailto:berkarl@whidby.net)

The year 2020 has presented such a different year in our lives. It has led our thoughts in various ways; some more respectful of the beauty of being with our friends and family, masks and social distancing, sanitizing and extra cleaning of items we didn't spend a lot of time on (like door handles at least twice daily and the handles on the outside of our cars as well as the steering wheel and door handles inside). It has not been OUR best year either, BUT because of good practices and remaining to stay home and get those jobs done that you have wanted to do forever, WE ARE still here and reasonably healthy. AND because you are reading this article, you are too!

Thinking of the use of "good practices", we want to bring to your attention the idea of using GOOD TECHNIQUES to maybe help you with a better more healthful for of dancing. Some of these ideas may keep you from becoming so tired after an evening of dancing. Think about what you are going to read in this article. Try to just dance using the idea and see if it helps you—remembering they are tried and experienced forms used by many dancers.

## GOOD POSTURE AND BODY TONE

We have learned by instructors that this is a good and true standard that we should all be practicing and need to improve, not only for looks, but it is a more healthful form. IT WILL HELP US! Try it...you might like it. Remember....it is only a suggestion!!!!

Now, please take a good closed position. Stand up straight in a good vertical position or in a good "frame", take a deep breath as if you are prepared and ready for the next cue. While you're body is moving to position, it is giving the muscles in your rib cage, (which is the core of the body) the strength it needs to help you create, with ease a good body dance form. Practice and experience this form and see if it helps you.

Not done yet! Now, because of this good frame, you have created what we call good "posture and body tone". Actually, we can now celebrate a good balance. **NOTE:** Without standing tall and having proper posture, the body will NOT be well balanced. Balance is most important for good dancing.

Now that you are all lined up, we want you to think of your body and a "square box". We have assumed a dance frame, the square box represents a line—shoulder-to- shoulder...down to your hip....running across to the other hip...then up to the shoulder. A square box has been "thought created". Those points of the square box never changes and if you turn you cannot turn the shoulders without turning the hips. We don't isolate and separate the shoulders from the hips. We keep the box moving as one. The shoulders, hips, in a box, moving as one, creates proper posture in a standard dance.

We feel, using this thought process and practice will help you produce a more healthful and better dance frame.

*Respectfully,  
Bob and Linda Berka*

## Cleaning Time in the Sewing Room

While the weather is keeping us indoors and away from yard work, let's work on sewing stuff. Mine needs it, maybe this will get me inspired.

**Rule One - Stay Focused** - Whenever I try to clean the sewing area, I get distracted by the unfinished projects. I start sewing on something and never get the cleaning done.

Take everything off your sewing machine and serger that comes off. Needle, presser foot, needle plate and spool pins. Take them outside and blow them out with an air compressor. If you don't have one, I'll bet a neighbor does. Squirt the air into all openings. Around the bobbin winder, the take up lever, the light and the bobbin area. Just keep squirting until the lint stops flying.

While your machines are off the tables. All flat surfaces need to be washed, not just dusted. When working with fabric, dyes can be left on surfaces and then picked up by a lighter colored fabric. Scrub the cutting mat with a Magic Eraser. This will remove a lot of dye and lint trapped in cracks.

**Rule Two - Be ruthless** - There is something about sewing that brings out the miser in most women. They hoard tiny scraps of fabric, short pieces of elastic and empty thread spools. All of which they are going to do something with someday. If you haven't used it by now, when are you ever going to?

Many women hoard fabric for that someday quilt. Then, they go out and buy new fabric for a quilt. The quilt my grandmother made about 100 years ago is a scrap quilt in the Texas Star Pattern. There are a couple of places where the diamond is the wrong color because she ran out of a fabric. Some of the diamonds have seams across them where she had to piece to get the right size. In those days, the one local store had only a limited amount of fabric. Neighbors shared scraps that had been cut from the same bolt so they could get enough to make a pattern. I'm sure my grandmother's color choices would not pass the quilt judges of today, she worked with what scraps she could get.

With a little research you can find someplace to take your scraps. Give it to an art teacher, they can use it for a variety of stuff. Make a pillow shape out of some stronger fabric and stuff it with finely cut scraps (kids can do this) for pet beds at the animal shelter. There are places that accept scraps fabrics and shred them for insulation and other uses.

**Rule Three - Get organized for your style** - Don't just go out and buy a bunch of plastic bins and think that is going to solve the problem. Think about your habits and how you

work. My elastic is dumped in one drawer. When I cut off a piece I don't take the time to fold the remainder. If I want elastic, it is in that drawer, just dig.

Look at the size and location of your shelves. Sometimes bins take up more space than they are worth. Consider the cube type shelving systems. The vertical walls allow fabric to be stacked without toppling over. The drawers that go with the cubes can hold smaller items, one for ribbon and one for elastic.

**Rule Four - Think fashion forward** - Look at your patterns, do they fit? Why keep things that you will never be able to use? If it has all its pieces, send to charity, if not trash. Look at the styles, is it something you could wear today? Has your style changed since then? Tissue patterns were not made to last. Some of the very old patterns I have encountered have fallen apart in my hands.

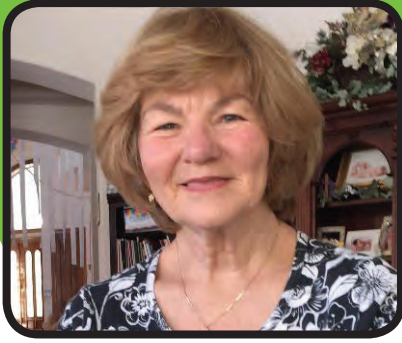

Pull out your fabrics and look at them as a group. If there are any colors you don't like, gift them to a friend. What were those fabrics purchased for? Why haven't they been used? Will they likely be used in the future? Our priorities change. Fabric purchased for a project never was used because life got in the way. Will it be used in the future? You may discover forgotten fabric that will turn into a great new idea.

**Rule Five - Disregard all rules** - The swing room is supposed to be your happy place. If you are comfortable, who cares if it is driving anybody else crazy. Pour a glass of wine, put your head phones on and put the pedal to the metal. You sew girl!

## SOLO CORNER

Marsha Sullivan

[solo@dosido2go.com](mailto:solo@dosido2go.com)

Something to plan on as we get back to dancing next Fall, is the 50th Dance-A-Rama Festival Labor Day Weekend, September 3 – 5, 2021.

This festival was scheduled for this past Summer 2020, and the final Dance-A-Rama ever. So, if you have ever planned on going, but didn't get around to registering, this will be the last chance to join hundreds of singles across the county in Des Moines, Iowa. In addition to great dancing, SSDUSA will have a tour to The Bridges of Madison County and John Wayne's Home and Museum as well as Mystery Tour. The hotel will extend a special rate through September 8 for those who want to stay longer to explore the area. They will have a Roommate Locator for those who would to double up during their stay.

At this time, the Governor has mandated that we will not be able to square dance until Phase IV, and at that time rules will be vastly different. Right now, speculation is that only two-partner dancing will be allowed, for a maximum of four people in a square. Squares must be six feet apart, all dancers must wear masks and sanitize before and after each tip. Dances will be by invitation only, and you must stay in the same square for the entire evening. Single dancers will not be allowed. So, if you want to dance, you must arrange for a partner when you register. Hugs, of course, will be discouraged.

Happy holidays! Think positive.

*By Marsha Sullivan*

If you can start this day without caffeine,  
If you can always be cheerful, ignoring aches and pains,  
If you can resist complaining and boring people with your troubles,  
If you can eat the same food every day and be grateful for it,  
If you can understand when your loved ones are too busy to give you any time,  
If you can take criticism and blame without resentment,  
If you can relax without alcohol, and  
If you can sleep without the aid of drugs,  
Then you are probably the family dog!

## Brent Mawdsley

**B**rent, his wife Therese, and daughters Amanda and Megan are from Vancouver, BC, Canada.

Brent began calling at the age of 13 and danced and called in the Pacific Northwest Teen Square Dance Festival (PNTSDF) for five years. In 1984, while attending the University of BC and obtaining a B.Sc. in Chemistry, Brent became the caller/teacher for his first club, the Campus Cavaliers. Since 1988, he has called and cued two to four nights per week, and currently calls for four clubs, one of them for over 32 years. Brent is a member of Callerlab and calls and cues for dance weekends and special events throughout the Pacific Northwest as well as regularly entertaining community groups with introductions to modern square dancing. He is also a staff caller with Riverboat Square Dance Music and has made over 20 recordings.

Brent could not do all this without the love and support of his wife of over 28 years, Therese. In 2012 Brent and Therese were awarded the Caller Couple Scroll of Honour by the Vancouver area dancer association (FVS&RDA) in recognition of their dedicated service to the square dance community.

When he's not calling, Brent works full time as Business Development Manager, for Activation Laboratories, a global mineral testing company.

## Kevin & Linda Thomaier

**W**ith over 50 years of calling experience, Kevin regularly calls and teaches Mainstream thru A2 at his home programs. Along with his home programs, Kevin has called for numerous clubs in Washington, Oregon, Alaska, Nevada, Utah and Canada as well as Council and State Festivals as featured caller.

Kevin is a charter member of the Northwest Callers Association and has been a member of Callerlab since 1983.

Kevin and Linda started dancing in their early teens. They are honored recipients of the Washington State Parker Award and the Central Puget Sound Council Jack Willison Award.

Kevin & Linda reside on Lake Desire in Renton Washington and they will be celebrating their 47th Wedding anniversary this year.

Kevin and Linda have two daughters who have blessed them with six grandchildren.

## Steve Edlund

**S**teve began square dancing as a teenager with the rest of the neighbourhood kids as they joined their parents at the Surrey Square Wheelers. He tried calling at a Goofers' Night, and the rest, as they say, is history. As a member of the Wesburn Wranglers he won the Senior Champion at the Pacific Northwest Teen Square Dance Festival.

It is a pleasure to have later called for the Wesburn Wranglers for 18 years, as well as the Abbotsford Swinging Hubs, Lochdale and Silver Saddles Square Dance Clubs. Presently Steve is calling for the Royal Swingers (as he has for the past 35 years) as well as the Surrey Square Wheelers, and the Abbotsford Swinging Hubs (again).

Square dancing has brought many opportunities to Steve and he has had the opportunity to travel extensively throughout North America, Sweden, and Japan. He has also called in San Jose, Costa Rica and Oslo, Norway. Currently, Steve is on the staff of Elite Records, based in Houston, Texas, and Riverboat Records out of California. Steve has been calling for over 38 years and would not change a thing.

Steve lives in Surrey, British Columbia with his wife of 33 years, Lynnette. They are now empty nesters. Kristen, their daughter is teaching full time and was recently married. Outside of square dancing, Steve and Lynnette lead an active life biking, kayaking, golfing, and traveling.

**TRI CITIES CIRCULATORS** and **FAMILY-A-FAIR** are not meeting for dances or lessons at this time.

The **MELODY MIXERS** Round Dance club has canceled all dances and lessons through the rest of the fall season, but that will be dependent on the status of the

COVID 19 closures and restrictions.

Dancing will certainly be different when we resume. I assume that food and drink may be restricted to personal water bottles. Hand washing or sanitizing will be a must between tips or sets. Will we all be wearing face coverings? Maybe. Probably. I can't figure out a way that we can dance and still comply with Social Distancing – 6 feet strictions are lifted.

The **BOOTS & LACES** want to wish everyone a very safe, healthy and Merry Christmas. We all are missing our square dance family so much. We do hope that we all can get back to our favorite activity in the New Year.

The Boots & Laces want to wish Dean and Phyllis Call a very Happy Anniversary. On October 22nd, they celebrated their **“75th” Anniversary**. We are so happy for them and do wish them more years together.

We would like to welcome JoAnne and Tom McHarg to our Traveling Club. We are looking forward to dancing with them on our first visitation as soon as we all can get back to dancing.

On a very sad note, we want to send our deepest sympathy to Ella Simmons Family. She passed away on October 8th. She will be missed by all of us that knew her, worked with her, and loved her. Ella and Gene Simmons were very active in their Clubs, Council and State Federation. They were the Registration Chairmen for the 1981 National here in Seattle. No computers then so everything was done by groups working together to put on one of the best and largest Nationals in square dance history. So many friends and memories were made when we all worked together.

The **PI-R SQUARES** would like to say we are opening up square dancing at Meridian Grange in Kent as of now, but that is not happening anytime soon. We have been having a weekly update where members send in articles to our newsletter person and she puts out an email with all the weeks’ comments to all of our members and some other dancers. These have been great, but now we are limiting these articles to the first & third Saturday’s of the month.

Also, we have been having ZOOM Meetings two times a month which have been well-attended, but as of November, these will only be on the second Saturday of the month. Maybe after the first of the year, we can start dancing again. Stay tuned to see where and when we all go back to what we enjoy.

We all are getting rusty and our Caller Andy Garboden and Cuer Kyle Quande also need the practice.

*Terry & Marilyn Quinnett*

[mvjunkdealer@juno.com](mailto:mvjunkdealer@juno.com)

The **WAGON WHEELS** continue to keep in touch, maybe not on the dance floor, but getting together via communication media and in person. Keeping the square dance spirit alive in this way is one thing we can do under the Covid19 circumstances.

Wagon Wheels “Cirled the Wagons” for a second tailgate party in the parking lot of the Kent Meridian

Grange for a late afternoon gathering of friendship and good cheer on October 3rd. In attendance were at least 21 members and some special guests. The Pi-R Squares Terry Quinnett along with Andy and Tricia Garboden joined us and it was great to see everyone and hear how they are coping under these restricted circumstances. Of course, the resounding theme was “when are we going to be able to dance again?” There was much speculation, but no clear answers unfortunately.

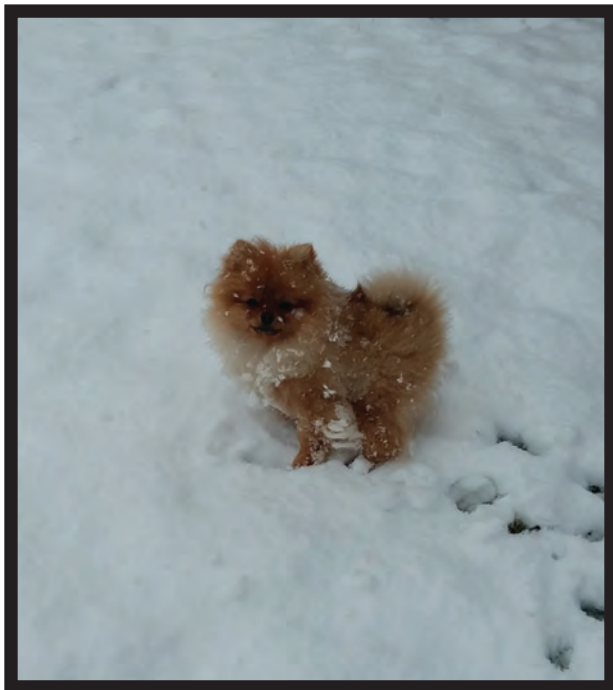

What did come to light is that communication among us is continuing. Many mentioned how important the club newsletters are, so we owe some thanks to the editors who are keeping us connected. At Wagon Wheels, our thanks go to Donna Rohde. Others commented that phone calls and small visits were also lifting spirits so I can only encourage everyone to call or visit members, especially those who live alone or are without family nearby. The other notable observation is that square dancers are making the best of a bad situation, not surprising is it?

On another note, here is a question for you: Who put the SQUARE in square dancing? A little research indicates that when Europeans settled in America, they brought their

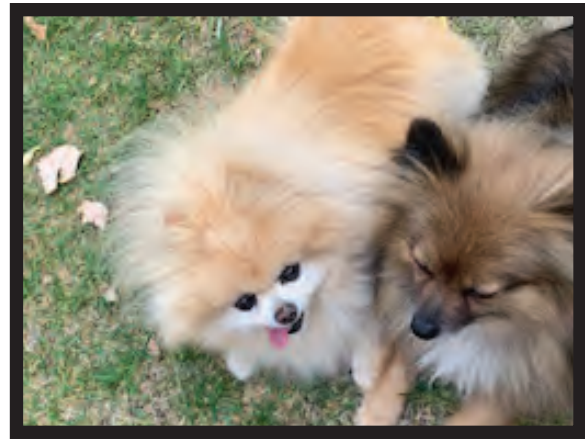

folk dances with them. A popular folk dance among the settlers originated in France and was called the Quadrille, which means “square” in French. As time went by and with immigrants having come from many countries, the name was simplified to “square” dance. The fact that so many pioneers were from different countries is one of the reasons the need for a “Caller” evolved so everyone could dance together in the same pattern.

Let us hope that we soon will be dancing together and enjoying the fun and friendship that is a part of our wonderful activity. In the meantime, let us continue to keep in “touch” in every way we can.

Even though there is still no dancing going on yet in the MOUNT BAKER COUNCIL, ten of our clubs have included reports below primarily to maintain a connection and solidarity with square and round dancers across the State of Washington. And our 2021 Washington State Round and Square Dance Festival Committee wants you to know that things are looking up with over 130 dancers registered already along with 17 callers and 7 cuers. 35 rooms have already been booked at the Delta Hotel by Marriott in Everett for the Festival June 18-19, 2021 and the Trail-In Dance on the 17th.

The STANWOOD SASHAYERS are wishing all of our friends and fellow dancers a Merry Christmas and Happy Holidays. While we wait for the containment to end and we are all allowed to return to Square and Round Dancing, we hope that all are safe. We wish everyone a Happy New Year also, and the end of 2020 to come quickly.

After getting the COVID-19 guidelines from the State Federation, the DUDES & DOLLS Board voted to cancel all dances through the end of the year 2020. That will also include the New Year's Eve Dance we had planned.

Our Annual Club Directory was compiled, printed and passed out to our membership in October. Our Directory is unique in that we include pictures of our members along with their contact information, our dance schedule and our club By-Laws. Our President Steve Sworen, who also produces the Directory, went above and beyond by using this task to provide a social event for the membership. He brought them to our normal dance venue, Cedar Valley Grange, on two Saturdays and had the members drive by to pick them up. As they came to pick up their Directory he talked with them about how things were going and took pictures of them in their cars with their new Directory. After handing out the Directories at the Grange, he mailed the Directories to those that hadn't been able to pick theirs up at the grange. The pictures he took of members getting their Directories he has since been sending out via email to the membership to remind them of their dancing friends.

SKY VALLEY WHIRLWINDS tackled the in-person club meeting obstacle just before Thanksgiving. We all missed our Club friends and thought we would be a, hopefully, trendsetter. We also included our annual food drive to benefit Maltby Food Bank.

We are certainly hoping that we can still have a dance in January. We will get the word out as soon as we know for sure.

Stay healthy. Wear your masks, wash your hands and stay away from large crowds. God Bless you all. Enjoy your Christmas festivities. See you after COVID-19 has fled! Soon!!

Merry Christmas

The **FREEWHEELERS** continue to evaluate current information from health officials and our governor. Resumption of dancing will depend on the Phase Recovery Level of Snohomish County where we dance. Our most recent zoom meeting was scheduled for some time in November but not in time to report for the December issue of Footnotes. All of our dances have been cancelled until after January 2021.

We had some very sad news in October. On October 16th, Ken Sharp departed peacefully from this world. He was an amazing 95 years young and a lifetime charter member of the FREEWHEELERS. He always had a warm smile and a hug for fellow club members and guests. He and his wife, Audrey, held many club offices over the years. Due to Ken's health they had not been able to dance for the past several years but they continued to attend our dances and volunteer to help in many ways. Our love and prayers go out to Audrey and their family. A celebration of Ken's life will take place at a later date when it is safe for us to be together.

We look forward to getting back to dancing in the New Year! Stay safe and Happy Holidays to one and all!

Soon 2020 will be coming to a close for the **HAPPY HOPPERS**. It's been quite a year, and much of it we are glad to bid farewell. We haven't been able to dance and gather with friends for nine months, and no bouncing baby to show for it. But we are hopeful that next year, we will

once again be sharing yellow rocks with all our friends, and be able to dedicate a tip to those we have lost. I hope to see many of you at the Tons of Fun 2021 State Festival at the Delta Hotel June 17-19 in Everett. Some of you may choose to be extra cautious and wait for the 2022 festival. You'll be missed, but each of us decides what feels safe for us, and what we need to do to protect those we love and those we don't even know.

There is still a lot to be thankful for. We've met lots of wonderful people and had many great times dancing and socializing: with our club members, with dancers in Washington State, dancers across the country, and dancers around the world. We've shared meals, campouts, picnics and lots of meetings (Let's not forget all those meetings). Some of you have met your life partner or your second love through square dancing, perhaps even reared your kids with square dancing.

In these difficult times, let's remember our friends, here and gone, remember all that square dancing has added to our lives. Happy Holidays to all my SD friends and all those friends I haven't met yet. I hope to see you in a square in 2021. Now go give your partner a great big Red Rock, because you can. Virtual Yellow Rock from the Happy Hoppers to you all.

**MT. BAKER TEACHERS, CALLERS, AND CUERS ASSOCIATION (MBTCCA)** initiated a statewide conversation (on Zoom) in July between many callers, club officers, council officers and state federation officers about Covid-19 issues and the future reopening of square dancing. Our most recent one was on Monday, November 9. We attempted to reach all club and council leaders across the state, as everyone is welcome to join this conversation. As a local callers association we have continued to hold monthly virtual meetings to discuss our local options for reopening when it is safe to do so. PS. If you have not signed up for Tons of Fun in 2021, do it now! Don't wait!

The **FIDALGO FOGCUTTERS** have cancelled all dance activities until February 2021 since we remain in Phase 2 of the Washington State Safe Start Reopening Guidelines. But, we have rolled over our Club dues from 2020-2021 to 2021-2022 to save our members some money. Our President Couple (Rob and Hope Webster) have been traveling and dancing virtually in Canada, Virginia, and Central England with participants from all over the globe. They're having fun and say it's a good way to keep moves and definitions in mind. Apparently, you can dance virtually almost every day and at all levels. Perhaps some of you would like to try it.

Our Club Cues-Couple (Bob and Linda Berka) continue to select Round Dances of each Month and place the choreography in Footnotes, so you might want to learn and practice rounds at home during the pandemic. And don't forget to register for the 2021 Washington State Round and Square Dance Festival June 17-19 at the Delta Hotel by Marriott in Everett, WA.

The APPLELAND PROMENADERS would like to take a trip down memory lane this month. These are some of the things we missed due to the virus but we still need to be thankful for these wonderful things we have experienced in the past. In May we missed our annual Apple Blossom weekend with Joe Saltel. We missed visiting the Gateswingers for Memorial Day weekend. June would have seen us dancing in Spokane. Bob and I recently visited Spokane while Bob had TAVR (aortic valve repair- he is doing fine) surgery and I had an opportunity to walk around Spokane Riverside. From state festivals to the 2012 National Convention we have many special memories of Spokane. July and August we would have visited Circle 8 to dance. September would have brought two great events – Labor day weekend at Circle 8. We had no peach Daiquiris, hot dogs and corn in the meadows, Friday eggs organized by Ron and Gailyn. Also, in September, we missed out on fun times in Winthrop. Yum- I can taste one of those pastries from the Cinnamon Twisp Bakery in Twisp. October we would have had Ray Brendzy calling our Anniversary Dance. November we missed Royal Romp in Oregon. But, most of all we really missed seeing all of you, our square dance friends.

*Connie Mulholland*

CASCADE TWIRLERS would like to share this option for exercising provided by the Wenatchee Senior Activity Center through NCWLife TV. Since we are all missing the great exercise that square dancing provides this might be a way to keep fit until we can resume dancing. The show will be aired weekly on NCWlife.com. Click on the Full Episodes tab on the top of the page or use the link below.

Hoping you all are well and have a Happy Thanksgiving.

### 4X8'S

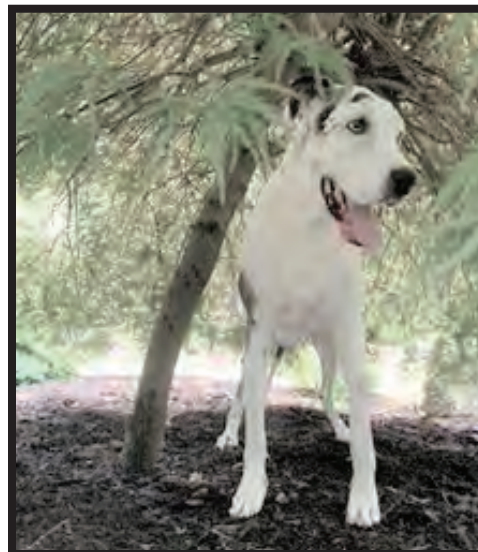

Well what can I say?

Here we are still waiting and waiting for this Covid thing to be over so we can get back to our favorite activity. At least we are all pretty much in the same boat. There are rumors of some dancing here and there. Nothing close by or anything.

It would be a good time to sew some new matching outfits to enjoy when we are dancing again. If I enjoyed sewing at all. I am sure many do. Anyone have pictures of new outfits they are waiting to wear? Any new knitting patterns for bolero or short waist sweaters? I have checked my favorite websites but nothing stands out.

“Wayne Ratcliff has been busy in the garden and this year he had two enormous pumpkins along with myriad smaller ones to the delight of grandchildren and neighborhood children. He also grew a variety of gourds which will be hollowed out next spring for bird houses. He has also started a flock of chickens and with my daughter having to get rid of her flock we now have a (new!) full chicken house!! The construction of the chicken house followed on the heels of a tear-down and rebuild of our back porch, using most of those materials. Although we haven't been dancing to any callers (and missing it dearly) we have been keeping our feet moving... and staying well”

### 4x8s continued

Annie, I know has been busy as well doing art projects. She paints and participated in a local art sale this summer. She does Zentangle drawings. If you have not heard of it before, it is most interesting.

Fred and Carla Ziemer say they have been busy this summer too. "We've smoked meat, made jerky, chased pigs and been going to church with 60 to 80 in attendance. No COVID problem. Also working with youth about 16 every Sunday evening. Going to a father son retreat on the 13th with my grandson".

*Patti Roberts*

### WHEATLAND WHIRLERS

Hey, Everybody;  
The music has started, the caller is all set to go, so grab your partner, jump in a square and let's Square Dance! Oops, Sorry, I guess we can't do that yet. I know that you're all missing our favorite pastime so spend the time by staying healthy, wear masks and social distance so we can all get back doing what we all love to do: SQUARE DANCE!

Merry Christmas everybody.

First - the Rhody O's would like to wish all our fellow dancers the happiest of Holiday seasons possible. These Holidays will be very different for most of us, but the goal is to keep all of us healthy. Everyone is anxious to get back to dancing - and the RhodyO's (like everyone else) are waiting for the green light from health officials to turn the lights on and turn the music up. Another thing - take some time to call some fellow dancers and say 'Hi'. Everyone enjoys hearing from old friends. Take care of each other and let's hope we're all dancing by springtime.

**PENINSULA COUNCIL KITSAP SQUARE DANCE ASSOCIATION AND ALL CLUBS** are staying in touch in hopes that all are well, looking forward to some solution, practicing safe distancing, wearing face coverings and staying close to home when not well.

Some members have helped in the remodeling of Kitsap Square Dance Center's kitchen (see pictures) and also moving and building a new caller/cuer stage – just waiting for the sound of shuffling out on the floor to some music.

Some square dancers even held a “Trunk or Treat” at the hall. We hope everyone had a safe and healthy Thanksgiving – time for a little exercise after the nice meals. Now then we get ready for Christmas holidays – please take the time to send a few extra cards this year to reach out to all your square dance friends – each of us needs a little ray of sunshine to brighten our days every once in a while.

**LORRAINE ROUSE, Cuer**

Lorraine Rouse was raised in Massachusetts (notice the accent?). Her husband, John, was raised in New York, and served in the Air Force for 22 years. The two met on a blind date in 1962 and were married two years later. They raised two wonderful daughters.

They started square dancing in Florida in 1967. In 1972 to 1975, they were in stationed in Germany and belonged to Paws and Taws Square Dance Club. They danced in different parts of Europe while stationed there. In 1975, John got orders for McChord Air Force Base near Tacoma, and upon arrival they joined Swinging Squares square dance club.

In the early 1980’s, Lorraine was encouraged by friends Boyd and Dottie Ward to start cuing, and their son Kevin hired her to cue for the Raggedy Anns & Andys Teen Club. She soon began cuing also for the Sociable Squares, then the Square Naders, the Hix N Chix, and Swinging Squares. By 1982 she and John had formed the round dance club named Rouse-a-Rounds that thrives to this day. In recent years she has cued for the South Sound Singles, and she still cues for Bonney Lads ‘n’ Lassies in Tacoma and Wagon Wheels in Kent.

Lorraine and John were the second recipients of the Federation’s McNutt Award in 2001, and in 2016 were awarded Rainier Council’s Kenn Trimble Award. During this pandemic they are greatly missing dancing, as are we all, and we are also all missing each other. We hope soon to see you on the dance floor.

**S**OU'WESTER COUNCIL clubs wish you a Merry Christmas and Happy New Year. We are all hoping for a happy dancing 2021, so keep up the good work and follow the safety rules to open the dance world back up! We are looking forward to 2021 to resume the hobby we love, dancing!

Well, the holidays are certainly a challenge right now! Hope everyone had a wonderful Thanksgiving and you all are preparing for a safe and merry Christmas. **THE DO SI DO SQUARE DANCE CLUB** members wish everyone health and happiness during these holidays!

Just to reiterate; per the guidance shared by the State Square and Folk Dance Federation, the Do Si Do Square Dance Club has determined it will not hold a dance through the rest of 2020. We are hopeful that 2021 will begin with an opening of the Lac A Do Hall and the re-start of our square dances.

Again, if 2021 sees a return to holding our dances, we will happily embrace the recommendations from the state organization, the Governor and State Department of Health, plus any guidance noted by OASDA for the use of Lac A Do Hall so that we can safely hold dances. When we announce the reinstatement of our dances, we will also communicate impacts.

In the meantime, stay safe and healthy!

Jim Hattrick is our regular Caller and Joyce Sebree is our regular Cuer. We offer delicious treats and door prizes for those who have traveled to the dance. Join us in our monthly celebration of the Do Si Do Square Dance Club and square dancing at Lac A Do Hall (1721 46th Avenue NE, Olympia, WA 98506).

**THE PRAIRIE STEPPERS** hope that all of you will enjoy this holiday season safely. We miss seeing each other and dancing each month at the Oakview Grange and at all the other Sou'Wester club dances. Andrea Kershner sent a note sharing what she and Larry have been doing and invited all club members to share how they have been spending time these past several months. Several club members have responded.

It has been fun finding how folks have been doing. Some are staying closer to home while others are finding safe ways to venture out including day trips and camping in Washington and Oregon. Diana Findley says Jim spends lots of time sailing. A few of us have had lunch dates and hope to see any of those who feel up to doing that.

We send our condolences to Shirley Spain. Her older sister passed away three days after her 86th birthday on October 9. She suffered a stroke while on vacation with her daughter and son in law in Oregon. Dick Russell is scheduled for a 6 month check up following lung surgery in April to remove a tumor in his left lung.

Our past December dance themes have been very seasonal including Rock Around the Christmas Tree, I Saw Mommy Kissing Santa Claus, Under the Mistletoe and Have Yourself a Merry Little Christmas. Travels were to the Cougar Squares annual Thankful Christmas dance. "Dance before the music is over. Live before your life is over."

have been canceled for the remainder of 2020 and it looks like 2021 will continue with the same restrictions.

We just received notification that Oregon's Mid Winter for 2021 is officially canceled. This is not surprising, but sad.

We will abide by the state rules and Square Dance Association rules and not begin dancing until it is safe for everyone, dancers, callers and cuers.

We miss seeing everyone and hope that these restrictions will enable us to return to the hobby we enjoy as quickly as possible. In the meantime, stay home, wash your hands frequently and keep in contact with other dancers with email, phone calls, cards, etc. We are all starved for communications with one another.

As soon as it is safe, we will open the doors back to dancing with gusto!

Susan Healea is our cuer/teacher and dances will be on 1st & 3rd Thursdays at Catlin Grange beginning at 7:30 p.m.

**COUGAR SQAURES** wishes everyone a Merry Christmas and a Happy New Year. We hate to wish time away, especially at our age, but we will be very glad to see 2020 be gone. We hope that 2021 will bring an end to this pandemic and a new beginning to resume dancing. We will all need lessons and it will be a blessing to attend lessons again, just to dance!

We are asking prayers for one of our young dancers, Kaitlin Landis. She had a traumatic brain injury and has been hospitalized in and out of ICU. Please keep her and her family in your thoughts and prayers.

We are usually preparing for our Thankful Christmas dinner and dance at this time. Needless to say, we are not having it this year, but we do hope we will resume the tradition in 2021.

We received official notification that Oregon's Mid Winter Festival is canceled for 2021. It should have taken place January 22-24. This is usually the first big dance of the season, we hope it is not a sign of the future.

Take care and follow the rules for safety and well being and hope we will be back to dancing in the new year.

Jim Raupp is our caller and Susan Healea is our cuer, when we resume dancing on the first Saturday of each month, September through June.

**S**POKANE AREA COUNCIL was unable to hold their general meeting in November due to COVID-19 directives. President Kelly Hoff made a decision that being nothing has changed with dancing, I don't think we should have this meeting. I feel people's health and well-being is more important than going to a meeting to say "no report" by everyone. SAC Treasurer does not send out his monthly report to Board members. Some clubs are submitting flyers to our Newsletter editor and the Webmaster even though there are no dances scheduled. Usually, the SAC Board meets 2nd Sunday in December. SAC Corresponding Secretary forwarded the Footnotes editor's email to lots of dancers that the November issue was online and requesting pictures of Square dancer's pets. Those received ae in the December issue.

## VALLEY CROSS TRAILERS

Spokane Fall Folk Festival was a virtual format this year held Spokane Public Radio. Spokane Area Council square dancers were viewed for ½ performance!!

## COEURLY Q'S – COEUR D'ALENE, IDAHO

I'm sure we can all agree, "How can this be December! nothing is like it's supposed to be". The holiday traditions and the preparations we usually do seem flat when we can't be with our family and our family of friends. These changes in our lives certainly bring us to realizing how much our activities like square dancing are meaningful and give us satisfaction.

In my attempt to bring variety to our Footnotes reporting, this month I've chatted with couples who are active in our club. Following are some of their thoughts when I asked, "why did you start square dancing and stay with it".

Bill said that his wife "encouraged" him to come and try just one lesson. So they went for lessons and it was okay, he liked the music and it wasn't too hard, "we were told just what to do, I'll go again". Eight years later they go to dances each week, help the club as angels, attend festivals and look forward to spending time with many friends they've made. It seems the ladies like this time with their husbands and like to try different things as a couple.

A comment heard more than once has been, square dancing is something we can do as a couple, spending time together; "it's our date night". Also, that it's a healthy environment and really brings out the best in people, ones you like to be around.

I think those of us who work toward bringing Square dancing to others should feel satisfied that we're sharing such a positive experience. Hopefully we'll be back and stronger soon.

## WESTERN DANCE ASSOCIATION

*Teresa Dixon*  
[tbdixon64@gmail.com](mailto:tbdixon64@gmail.com)

Western Dance Association is trying to come up with a fun event(s) to celebrate the Christmas/New Year's Eve holidays. Will report next month if we were able to do some celebrating with our square dance friends.

SCCA had a Zoom meeting on Nov. 9 with Stephen Cole leading the discussion. They talked about Square Dancing and being able to move forward once the pandemic is under control. Some of the agenda items:

Talking with my peers around the country, many callers/clubs are scheduling regular Zoom meetings with their membership. Some "virtual dancing" too. If creating these types of meetings are foreign (or frightening) it might help to have a couple of tutorials on how to do this.

Regarding online visitations and get-togethers, it would probably be a good idea to encourage members to "bring a non-dancing friend." When we get back to dancing, these people might be more inclined to join us.

Has anyone done any type of survey to see how many square dancers have dealt with COVID? Finally (for now) there's been some talk in various circles about using the SSD (the Social Square Dance Program) as a quick-start to get both dancing and lessons going again
